

TITASH SINHA

Content Strategist — AI-Assisted Content Operations & Data-Driven Storytelling

titash9sinha@gmail.com · West Bengal, India · +91 9709 659 565 · [LinkedIn](#) · [Portfolio](#) · [GitHub](#)

PROFESSIONAL SUMMARY

Content strategist with 6+ years across B2B SaaS, fintech, and BFSI, building AI-assisted content systems and owning editorial operations end to end. Designed and shipped an AI-assisted content QC workflow adopted agency-wide, cutting revision rounds by 50% — internally productized as Auditor Pro by LexiConn AI. Applies the same systems thinking to data-driven storytelling, translating search and audience analytics into content strategy that contributed to 2× organic traffic growth for banking and insurance clients.

CORE COMPETENCIES

Content Strategy & Editorial Planning · Content Operations & Systems Design · AI-Assisted Writing Workflows & Prompt Frameworks · Editorial Governance & Brand Voice · Data-Driven Content Strategy · Content Performance Analysis (SEMrush, Search Console) · SEO & Search Intent · Cross-Functional Collaboration · B2B SaaS & Fintech Content

PROFESSIONAL EXPERIENCE

LexiConn Content Services Pvt Ltd

Mar 2022 – Present

Content Associate — Acting Team Lead & Content Strategist · Acting Team Lead: Feb – Aug 2025 · Remote

Content Strategy & Operations

- Own content strategy and editorial operations end to end across 5+ concurrent B2B SaaS, fintech, and BFSI accounts — setting topic priorities, building editorial calendars, and standardizing brief-to-delivery workflows.
- Designed and built an AI-assisted content QC tool end to end using prompt engineering on a local LLM (Qwen3.5:4B via Ollama) — internally productized as “Auditor Pro” by LexiConn AI.
- Adopted by 19 team members agency-wide, cutting revision rounds by 50% while preserving editorial originality and quality across client accounts.

Content Production & Delivery

- Coordinated a 3-writer overnight desk for MediaCo — a LexiConn engagement that became a yearlong contract — publishing 200+ sub-500-word articles per month via WordPress for syndicated Yahoo and MSN brands, using AI-assisted drafting with human-in-the-loop QC.
- Delivered 25–30 optimized articles and 10+ long-form assets per month, including insurance content for FutureGenerali published via Strapi CMS.

Performance & Search Analytics

- Ran content audits and keyword/search-intent research via SEMrush and Search Console to close content gaps and inform on-page SEO — contributing to 2× organic traffic growth for banking and insurance clients.

Editorial Governance & Leadership

- As Acting Team Lead, reviewed and edited output from 3 writers and 1 designer across concurrent accounts — maintaining tone and brand-voice consistency, coordinating editorial calendars, and owning brief-to-delivery QA.

Matrix Tech Solutions Pvt Ltd

Sep 2019 – Jan 2022

Content Writer & UI/UX Copywriter · Kolkata

- Produced whitepapers, eBooks, and case studies for US, UK, and Middle East B2B software clients on a weekly cadence — adapting brand voice across multiple industries.
-

PROJECTS

Auditor Pro — AI-Powered Content QC Tool — *Local LLM (Qwen3.5:4B on Ollama) · Claude Code · Cursor*

- Reviews pre-handoff content against client briefs; returns structured feedback with scoring and targeted replacement suggestions. Adopted agency-wide (19 team members); reduced revision rounds by 50%. Productized as Auditor Pro in the LexiConn AI automation suite.

github.com/TitashSinha/AI-QC-tool
